TRUSTEE REPORT

MESSAGE FROM OUR CHAIR

2019 was another successful year for Boardmatch. The team successfully navigated a new website build that will modernise the digital experience of our candidates, corporates and not-for-profits and the size of this task of integrating the new website should not be under-estimated. Praise should go to the team, especially Hannah Coleman, for their efforts in making this seem like a straightforward process. I would also like to thank our trustee Fred Karlsson for his excellent work in this area. The new website transition did not negatively impact our matches which stayed at a high level, over 300 for the 2nd year in a row at 316. Of these 316 placements, Boardmatch achieved an almost 50-50 gender split (actual numbers 51% male, 49% female) and placed individuals in 17 counties across all 4 provinces.

In fact, 2019 was a year when Boardmatch really began to demonstrate its reach and ability to support the not-for-profit sector throughout Ireland. The new website attracted 45,000 visits (80% increase on 2018). In 2019, the team coordinated 13 training sessions in Dublin, Cork, Kilkenny, Galway, Sligo, and three bespoke in-house trainings (217 attendees). It was a conscious decision taken by the CEO and the board to bring Boardmatch's expertise across the country. This was also an opportunity for us to future-proof our training by bringing in another trainer with expertise in board governance and Charity Trustees.

The highlight of the year for the Boardmatch team was possibly the Trustee Speed-Dating event, which took place in late November. Having held the inaugural event in 2018, Boardmatch made the 2019 event a much bigger affair with 50 charities and 100 candidates attending, and 40 subsequent board & Committee appointments. The accompanying feedback from both candidates and charities was extremely positive. We would also like to thank our event sponsors, Arthur Cox, BHP Insurance and Hays Recruitment. Our CEO, Eva Gurn, conceived of the Speed-Dating idea and should be commended on her vision and tenacity on bringing this concept to a reality, an event which really stands out in the not-for-profit calendar.

Finally, the board of Boardmatch continued to evolve in 2019. Denise Fitzgerald resigned her seat at the board after 5 years of excellent service to Boardmatch. We welcomed Liz Roche to the board who brings considerable fundraising and marketing experience from the not-for-profit sector to the board. The board is looking forward to 2020 where we hope to use our new online platform and growing presence nationally to continue Boardmatch's growth.

Michael McDonagh, Chairperson

ABOUT BOARDMATCH IRELAND

Boardmatch Ireland is the only charity in Ireland whose primary service is matching individuals to the boards of not-for-profits. Through this, Boardmatch are supporting the development of the community and voluntary sector (the not-for-profit sector) by strengthening boards and management committees by ensuring they have the correct skills to create the most impact in Communities all over Ireland. Boardmatch do this primarily through:

- **Board Recruitment Services**: Our Free Matching Website that connects charities and not-for-profits with board vacancies with individuals looking to volunteer at board level, and our Premium Search service is a bespoke board recruitment service for charities with additional needs or limited resources
- **Board and Trustee Training**: A range of training and review offerings for trustees and boards around Ireland
- **Corporate Programmes**: Our corporate programmes engage employees and have a positive impact on the Irish not-for-profit sector

Boardmatch Ireland was established in 2005 to address the skills gaps on the boards of not-for-profit organisations. It was established by a strong board including Mary Redmond of Arthur Cox, Siobhan Toale of Bank of Ireland, Roger Acton of ACCA, Kieran Loughran of the Disability Federation of Ireland and Mary Davis of Special Olympics, a group of dynamic individuals wanting to encourage citizen participation. Both Mary Redmond and Mary Davis were members of the Task Force for Active Citizenship formed in 2006 by Government to address the lack of citizens getting involved with Community and Voluntary activities.

Boardmatch is the only Irish charity that specialises in connecting people from all sectors for mutual benefit, to enable individuals to give back at a strategic level and become Trustees of Charity Boards.

By the end of 2019, Boardmatch facilitated the appointment of over 2,600 candidates to the boards of not-for-profit organisations countrywide.

FREE MATCHING WEBSITE

- FOR NOT-FOR-PROFITS AND INDIVIDUALS -

Our free matching website offers a platform where charities and those looking to join a charity board can connect. It is a nationwide database that enables charities to fill the skills gaps on their boards, whilst providing individuals with an opportunity to share their expertise, develop their skills, and give back to a cause they are passionate about. In 2019, we had:

454
New Board Vacancies

316
Trustees Appointed

1962
New Candidates

GOVERNMENT CAPITAL INVESTMENT IN OUR WEBSITE

At the end of 2018, we were delighted to receive a capital grant from the Department of Rural and Community Development. The Department has supported Boardmatch since its foundation and this additional grant to improve our free matching service was warmly welcomed, Our new website went live in April 2019 and by the end of the year, there had been almost 700 candidate applications to board vacancies. To have the Department award us a capital grant is a testament to the great value that Boardmatch brings to the sector.

"BOARDMATCH IRELAND PLAYS A PIVOTAL ROLE IN SUPPORTING CHARITIES THROUGH ITS WORK IN THE RECRUITMENT OF HIGH QUALITY PROFESSIONAL VOLUNTEERS TO JOIN THE BOARDS OF IRISH CHARITIES. THE ORGANISATION IS GOING FROM STRENGTH TO STRENGTH".

MINISTER OF STATE AT THE DEPARTMENT OF RURAL AND COMMUNITY DEVELOPMENT, MR SEAN KYNE, T.D

FREE MATCHING WEBSITE

"An excellent organisation to source trustees. Common Purpose has gained so much from the support of Boardmatch. Their trustee sourcing service has been logical, clear and very informative. We now have a number of high-profile trustees from Boardmatch who have already improved our business. Their continuous guidance and yearly events have been an asset to us. We will continue to work them in sourcing new connections and trustees."

Dara Connolly, Common Purpose

"Disability Federation of Ireland came to Boardmatch as we were looking to diversify our board skill sets outside of our membership. We successfully recruited 3 directors through the free website and found the process straightforward. We are looking forward to an 'outside' perspective on our board. People who are not working in the charity or disability sector."

Martina Schwab,
Disability Federation of Ireland

"We decided to utilise Boardmatch's services as we had been looking for new board members for a few years using contacts/people we knew and it wasn't very productive. We recruited 5 directors through the free website. We found the process very simple and user friendly. Our new directors had an extremely positive impact on our organisation; a wave of new ideas and enthusiasm added greatly to our organisation. We would absolutely use the service again!"

Simon Finnegan, Exchange House

PREMIUM SEARCH SERVICE

- FOR NOT-FOR-PROFITS -

The Premium Search Service is a fully managed executive-search by Boardmatch for Not-For-Profit Boards. This enables organisations to focus on the operational whilst their Board Recruitment is taken care of by an experienced Charity Account Manager. The Premium Search Service has had a 100% success rate to date in finding trustees for Not-For-Profit Boards.

In 2019, 52 new trustees were placed through the Premium Search Service. These placements were spread across five counties – Dublin, Kildare, Louth, Limerick, and Cork indicating the need for this service throughout Ireland. Boardmatch worked with a wide variety of different organisations, large and small, as outlined in our Premium Charity testimonials emphasizing the importance of investing in Governance.

IRISH CANCER SOCIETY

"We engaged Boardmatch to assist us in the recruitment of two new Directors for our Board. Throughout the process they were professional, helpful and on hand for any queries. The search was successful and we appointed two Directors who are strong additions to the Board."

Conor King, Company Secretary,
Irish Cancer Society

"From my perspective, there has never been a better time to consider joining a charity board. Now, more than ever, it's important for charities to be able to leverage professional skills and experience to help them run their operations most effectively. Joining a Board is a wonderful opportunity to make an impact in a way that really matters and play a role in the betterment of society. It's a rewarding and enriching experience - and a real win-win for everyone concerned."

PREMIUM SEARCH SERVICE

CARP - COMMUNITY ADDICTION RESPONSE PROGRAMME

"Boardmatch's Premium Search service provided us with the maximum opportunity to secure the calibre of trustees we wished to meet and engage with. We recruited 3 new trustees through the service.

They brought new perspectives that have created more "thought-provoking" discussions at board level. It is a time of change and a readjustment and realignment. The "cold eye" that new trustees brought required the collective that is the board of trustees to (re)assess how business is done and how priorities are identified. New thoughts and processes emerged and a new energy appeared."

Mary Brennan, Chairperson, CARP

"Having held senior roles within the Employability and Criminal Justice space in both the UK and Ireland, the position at CARP aligned well with my experience of supporting socially excluded and vulnerable adults and young people. I was also excited at the opportunity to contribute to the further development of a well-established charity. Having met with CARP's Chair, I was provided with further reassurance that my managerial background, broad skill-set and knowledge of the challenges faced by its client group were a strong fit for CARP, and more specifically, that I was in a position to add value to the Governance of the service. The passion and commitment demonstrated by the operational team and Board was clear from the start and I'm delighted to be able to play an active role in further supporting and contributing to the essential support services provided by CARP."

LEADERSHIP DEVELOPMENT PROGRAMME

- FOR COMPANIES -

Our Leadership Development Programmes offers corporates an opportunity to upskill their employees whilst also giving back to the charity sector. The Leadership Development Programme is a placement programme that finds suitable Not-for-Profit board roles for company employees. This skills-based volunteering allows participants to gain board experience and develop new skills, whilst giving back to society and positively impacting communities.

BANK OF IRELAND

At Bank of Ireland, our purpose is to enable our customers, colleagues and communities to thrive. Through the Bank of Ireland Begin Together initiative and our broader role in society, we actively support the communities in which we live and work. The Group Risk function in Bank of Ireland identified the Boardmatch Leadership Programme as an impactful way to contribute to our community, whilst also enabling our colleagues' development. Our colleagues have valuable skills that are useful to the Not-for-Profit (NFP) sector in areas such as risk management, legal, compliance, financial analysis, strategic planning and governance and the programme naturally builds on our many years of proud support for community volunteering and fundraising.

LEADERSHIP DEVELOPMENT PROGRAMME

BANK OF IRELAND

Vincent Mulvey, Group Chief Risk Officer at Bank of Ireland, is the Executive sponsor for the Boardmatch programme in the Bank. “Community, voluntary and charity organisations are a critical part of our social infrastructure, providing key social services and contributing to Irish life in so many ways. That’s why I’m delighted Bank of Ireland is participating in the Boardmatch programme and giving back to our communities through colleagues serving on a variety of not for-profit boards and committees as directors/trustees. I take pride in the keen interest from senior colleagues in this programme and their eagerness to offer their time and expertise. Our involvement demonstrates Bank of Ireland’s continuing commitment to supporting our local communities.”

Launched in 2019, the Bank programme was quickly oversubscribed. The Boardmatch process was particularly effective at finding the best fit for both the organisation and the candidate. Part of that success came from the individual attention provided by Eva Gurn from Boardmatch. Eva met with each of the participating candidates individually to understand their unique skills and interests. All participants then completed governance training facilitated by Boardmatch and are now fully engaged with their not-for-profit organisations.

Susanne Moran says of her involvement in the programme, “I am delighted to contribute to my community by joining Age Action’s Risk and Compliance Committee. I am able to leverage my professional risk expertise and my extensive commitment to age matters. It also fits with my role as co-chair of the Bank of Ireland Intergenerational Network, one of our six Diversity & Inclusion employee resource groups.”

LEADERSHIP DEVELOPMENT PROGRAMME

BANK OF IRELAND

Noel Flavin
Director/Trustee
Macra na Feirme

Noel Flavin added, "Eva and her Boardmatch colleagues simplified the process of identifying a charity that I had a strong connection with and an interest in the purpose and values of the charity. Coming from a rural community I have seen the benefits that Macra na Feirme brings in serving and developing young people. As an Independent Director on the board of Macra na Feirme, I bring my professional experience in the areas of Risk Management and Audit while at the same time getting real insight into the challenges and breadth of activities that charities have to deal with."

Vincent added, "Boardmatch participation is very clearly aligned with support for communities but it also brings tangible developmental benefits for our colleagues and enriches their perspective on society. Enabling colleagues to apply and grow their skills in support of a cause or organisation that they care about is an important part of helping them to thrive."

Our CPD accredited training continues to offer and deliver a high standard of governance training to the sector and to those joining a board for the first time. Our training is accredited by The CPD Certification Service and is recognised by The Law Society of Ireland, The Institute of Banking and Chartered Accounts Ireland.

In 2019, we offered our first training outside of Dublin - introducing sessions in Cork, Kilkenny, Galway and Sligo. There are now many charities that use our Trustee Training as part of their Board Induction programme for new trustees. Many thanks to our Dublin Training Partner, **Goodbody Stockbrokers** and our Kilkenny Training Partner, **VHI**.

Our CPD accredited training includes:

- Understanding Governance and the Board's Role -
- The Art of Being an Effective Chair and Chairing Well -
- The Role of the Chair & CEO in building high-performance boards -

SHARING TRUSTEES' STORIES

As part of National Charity Trustees Week, Boardmatch shared the experiences of many of Ireland's Charity Trustees, highlighting the message that anyone can become a charity trustee, whatever your background or expertise. We launched two new "Day In The Life of A Trustee" videos, featuring Sene Naoupu, Trustee of Bodywhys - The Eating Disorders Association of Ireland, and John McNamara, Chair of SpunOut.ie and Crisis Textline (Community Creations).

CHARITY TRUSTEE SPEED-DATING

- 100% of charities said they would recommend the event to other charities -

In 2019 Boardmatch ran its second annual Charity Trustee Speed-Dating event at The Convention Centre Dublin, with 50 charities attending. The charities ranged in size from large international development organisations to small community creches. There were over 120 individuals at the event. We are still capturing the number of board appointments but it has already reach 40.

Here is a video of highlights of the 2019 event:

CHARITY TRUSTEE SPEED-DATING

"I attended the Boardmatch speed dating event in November 2019 with one of our trustees. The event was extremely well organised. Those who stopped to talk with us had taken the time to research our organisation and were aware of the work we were doing with children and families. They shared with us what skills they had and what they felt they had to offer the organisation.

The documentation provided by Boardmatch was really helpful in outlining how this next stage in the process might be handled. Ultimately we were delighted to identify two new trustees who have now joined our board and bring with them new skills and ideas which will support and enhance our work going forward."

"The Boardmatch Charity Trustee Speed-Dating event was a great opportunity to meet with a broad mix of charities who were seeking new board members. I was looking for an opportunity both to gain experience at board level and to use my skills and expertise to contribute to a cause I had a passion for. After the event I was delighted to be invited to join the board of Sage Advocacy CLG. I would highly recommend the event to anyone who believes they have valuable skills to offer and an interest in exploring how to contribute to the non-profit sector."

GOVERNANCE & FINANCE

OUR CHARITY TRUSTEES

Boardmatch is overseen by the Board of Trustees whose responsibility is to set the overall strategic direction of the organisation.

To streamline the work of the Board and to keep the board meetings effective, Boardmatch has two specialist committees to assist with the workload – the Finance Committee and the Governance Committee. The Board and individual committees meet six times a year. A Website Committee was also established to advise the Board regarding the development of the new capital grant funded website.
